

COMMITMENT TO FSC® (FSC-C113536) VALUES

Eldorado Brasil Celulose S.A, a producer of pulp and manager of eucalyptus forests in Brazil, assumes a long-term commitment to forest management practices consistent with the Principles and Criteria, as well as the related Policies and Standards of the Forest Stewardship Council® (FSC), continuously seeking to improve its processes and ensure the sustainability of its business. Furthermore, the company declares that it is not directly or indirectly involved in the following activities:

- Illegal logging or illegal trade in forest products;
- Violation of customary or human rights in the forestry sector or forest products sector;
- Violation of workers' rights and the principles defined in the International Labour Organization (ILO) Declaration on Fundamental Principles and Rights at Work in the Forestry or Forest Products Sector;
- Destruction of High Conservation Values (HCV);
- Conversion of natural forest cover;
- Use of genetically modified organisms in forestry operations for any purposes other than research.
